

# CDP States & Regions 2018 Webinars

CDP prepared several webinars to provide states and regions with useful information and tips on reporting throughout the year. Please see below for the webinars and links to their recordings.

For more information or suggestions on topics you would like us to cover in the future, please contact: [statesandregions@cdp.net](mailto:statesandregions@cdp.net).

## Getting started with CDP States and Regions

Listen to our kick off webinars to receive step-by-step guidance on how to access the CDP States and Regions questionnaire, learn about the new exciting features and tools within the new reporting platform that will help you not only improve the quality of your response but also improve your climate action efforts.
