

## What is Climetrics?

Climetrics is a simple 1 to 5-leaf rating that helps you to easily find climate-friendly investment funds and invest consciously.

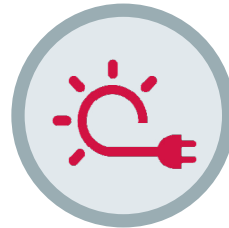

Top-rated (4 or 5-leaf) funds are **better-aligned with the low carbon transition** and finance companies that are, on average:

More carbon efficient

Better at dealing with climate change

More likely to use green technologies

All ratings are free-to-search on [www.climetrics-rating.org](http://www.climetrics-rating.org)

## How can Climetrics help me?

Climetrics gives you the information you need to be an actor in our urgent climate change challenge.

Choose climate-friendly funds

Reduce climate-related investment risks

Help finance the transition to a sustainable economy

**Climetrics' simple 1 to 5-leaf rating lets any investor find funds that are well-positioned in the transition to a low carbon economy.**
