Tuesday 2 June 2020	5:00 PM BST	Spanish	Watch here
Wednesday 3 June 2020	3:00 PM BST	Portuguese	Watch here

Annual Disclosure: IPCC GHG Inventory Guideline Refinements

Join CDP and The Climate Group for a presentation by The Greenhouse Gas Management Institute on the 2019 Refinement to the 2006 IPCC Guidelines for National Greenhouse Gas Inventories.

Wednesday 13 May 2020	4:00 PM BST	English	Watch here
-----------------------	-------------	---------	----------------------------

Why monitor and track your emissions?

Interested in finding out what greenhouse gas emissions monitoring, tracking and management is all about? Wondering what the benefits of having a state-level GHG inventory are? Join our regional speakers from the Governments of KwaZulu-Natal, South Africa and Jalisco, Mexico for an interactive discussion to kick-off The [Climate Footprint Project's](#) peer forum series.

Wednesday 27 May 2020	3:00 PM BST	English	Watch here
